### What do I need to start playing Field Hockey?

- Field hockey stick (returning players, do you need a new grip?)
- Field Hockey Shin guards (we recommend the hard kind)
- Mouth guard (cannot be white or clear)
- Turf shoes are recommended. Alternatively a quality pair of athletic shoes with good traction sole (note - running shoes offer very little lateral support)

### Cost:

- \$425 for the season.
- We believe that money should never get in the way of the desire to play (need based scholarships available)!!
- You can pay all at once or use a payment plan option.
- Contact Sarah (Coach K - [info@charlotteambush.com](mailto:info@charlotteambush.com)) for information about need-based scholarships.
- This cost covers all the nuts and bolts that it takes to run a sports program - coaches, umpires, field space, EMTs, equipment...

### What if I have never played before?

- Not a problem! Our JV program is developmental. We are here to teach you to play.
- Try a clinic or summer camp - <https://charlotteambush.com/overtime/camps/>

### Where can I purchase Field Hockey supplies?

You can get some of these things at the local sports stores, but the best place to get them is through Aerial Field Hockey. The owner is super nice and very knowledgeable about the game and what you will need. **Call/Text:** 704-650-1138 **email:** [aerialFH@gmail.com](mailto:aerialFH@gmail.com)
