Do I need experience to play?

- No! Middle School Field Hockey is all about learning skills and developing a love of the game!
- We are still looking for an additional coach for this team. Know anyone with playing experience? Send them my way (terry@CharlotteAmbush.com)

What do I need to start playing Field Hockey?

- Field hockey stick (returning players, do you need a new grip?)
- Field Hockey Shin guards (we recommend the hard kind)
- Mouth guard (cannot be white or clear)
- Turf shoes or cleats are recommended. Please note that regular athletic shoes offer little support for lateral movement and minimal traction.

(if access to any of this equipment is a problem, please reach out to Terry@CharlotteAmbush.com)

Where can I purchase Field Hockey supplies?

You can get some of these things at local new or used sporting goods stores, but the best source is Aerial Field Hockey. The folks who own Aerial are super nice and very knowledgeable about the game and what you will need. They have extremely competitive pricing and beginner kits.
